

Magic Fields

X-Perience

i've met the strangers at a place
more than a million miles away
they were so nice, so full of grace
i know they came from far away
now i'm walking on magic fields
i see the world is the only place to be
they took me to a foreign place
and then they thought me to be strong
they told me not to go away
even if anything goes wrong
i love the world i wouldn't leave
all the places we were born
i wait at midnight to receive
a final sign of their return
