

Lose To Win

Fantasia Barrino

Hmmmmmm mmmmm
Ever felt so ugly
But didn't bet he loves me
Sometimes its just not money
Never had to afford me
Now I'm sick and tired of
You just taking right off
Noooo when I forgiving You ain't here for dinner! Like like I 'm a beginner
Like you for your inner inner inner!
And your next guy is out there... somewhere
But you won't dare, cause your too scared Have you ever needed someone so bad?
But he ain't willing to make it last.
Sometimes you gotta Lose to Win again If he makes you cry, cry, cry
All you do is fight
Cant get no sleep at night
Sometimes you gotta Lose to Win again Ever felt this sorry
All you did is worry
You didn't want nobody
Thought it would get better
But it's fallen mooore than
oohh It's fallen more than
Ever I jus hope that, we would
Cause you always up to no good
Maybe it will take someone else
To show me better
And I don't wanna live ya
ohhhh yeeahh Have you ever needed someone so bad?
But he ain't willing to make it last.
Sometimes you gotta Lose to Win again If he makes you cry, cry, cry
All you do is fight
Cant get no sleep at night
Sometimes you gotta Lose to Win again Some of you know what it feels like
Part up just in his Life
Don't wanna try again
Thinking, whats the different
Why am I not interested
Cause when you been broken, you feel like
Noone can fix it
yeeeeeeahhhhhhhhh Have you ever (Have You Ever)

Needed someone so bad? (Needs someone so bad)
But he ain't willing to make it last. (Ohhhh ohhhh)
Sometimes you gotta Lose to Win again (Win Agaain)(He never makes U Cry)
If he makes you cry, cry, cry
All you do is fight
Cant get no sleep at night
Sometimes you gotta lose to win again
