Rocking

Harry Christophers

Little Jesus sweetly sleep do not stir
We will lend a coat of fur
We will rock you, rock you, rock you
We will rock you, rock you now
See the fur to keep you warm
Snuggle 'round your tiny form
Mary's little baby sleep sweetly sleep
Sleep in comfort slumber deep
And we will rock you, rock you, rock you
We will rock you, rock you now
We will serve you all we can
Darling, dancing little man
Yeah, we will rock you, rock you, rock you
We will rock you, rock you now
We will rock you, rock you, rock you
We will rock you, rock you now
