

# What a Day Yesterday Was

[Alan Jackson](#)

Looking through these old photographs  
Don't they bring some good memories back  
Some of them make us laugh, some make us cry  
I'm glad we kept all these souvenirs  
To prove that our love was here  
Look how happy we were, pictures don't lie  
If forever should end today  
And there's no tomorrow for us  
What a day yesterday was  
Here's one of us with you calm and cool  
But look at me acting a fool  
And here's one of us on the Ferris wheel at the fair  
Hey ain't we had a barrel of fun  
And the best may be yet to come  
We may have a hundred years still left to share  
But if forever should end today  
And there's no tomorrow for us  
What a day yesterday was
