

# Nuthin

## Lecrae

Gawvi, get 'em! Here we go again in circles  
I think I heard it all  
We been here before  
But we need something more  
Something more  
Something more  
What you say?

I can't hear 'cause you ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
What you talking 'bout?  
They be talking 'bout the same old thing  
I'm a have to call a foul in the game  
What you talking 'bout?  
A little money now you all OG  
Talking 'bout it's all eyes on me

They ain't talking 'bout nuthin' Let me guess, you counting money to the ceiling?  
Difference 'tween us like at least a couple million  
It's foreign cars, pretty girls everywhere you go  
Yeah, I heard it thirty times on the radio  
Louis Vuitton ain't gon' pay you for that bragging  
And Donatella prolly never heard your album  
Yeah they probably 'bout to label me a hater  
But I know these people greater than the songs they created  
It's little homies in the hood regurgitating  
And everybody watching, thinking that you made it  
The truth is for a few designer labels and a little bit of paper  
Now you twelve years slaving  
Hey, but you ain't Lupita so why you beat up and pushing people  
To lean on the devil copping a seizure  
It sound like you put your feet up

You still a slave and money can't buy you freedom, partna' Here we go again in circles  
I think I heard it all  
We been here before  
But we need something more  
Something more  
Something more  
What you say?

I can't hear 'cause you ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')

What you talking 'bout?  
They be talking 'bout the same old thing  
I'ma have to call a foul in the game  
What you talking 'bout?  
A little money now you all OG  
Talking 'bout it's all eyes on me

They ain't talking 'bout nuthin' Tell me why the song's on in my car (hear the radio)  
Why the song on in my gym (what they saying now)  
And the song's stuck in my head (I can't take no more)  
I still don't know what y'all saying  
Lemme lemme lemme do this  
I'm a be a straight shooter  
If we was made in his image, why we so Judas?  
Talking bread like we at the last supper  
Throwing money at these women make it rain in the summer  
I ain't advertising brands on the radio  
They expensive and I know they ain't gon' pay me for  
Telling kids to go in debt, for the 'vette that they'll prolly never get  
But I talk about it every song  
And every song talking 'bout they selling work on every corner  
Don't talk about the laws, taking kids away from mommas  
Don't talk about your homie in the trauma 'cause he shot up  
Or what about your young boy messing up the product?  
They don't talk about the bond money that they ain't have  
And everybody snitch on everybody in the jam  
They don't talk about the pain, they don't talk about the struggle  
How they turn to the Lord when they ran into trouble  
I'ma talk about it  
I don't care if the world try to swallow me  
I turn my back to 'em, tell 'em all follow me  
I know you gon' label me a hater

But inside you are greater than the songs you creating, man Here we go again in circles  
I think I heard it all  
We been here before  
But we need something more  
Something more  
Something more  
What you say?

I can't hear 'cause you ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')  
Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')

Ain't talking 'bout nuthin' (ain't talking 'bout nuthin')

What you talking 'bout?

They be talking 'bout the same old thing

I'ma have to call a foul in the game

What you talking 'bout?

A little money now you all OG

Talking 'bout it's all eyes on me

They ain't talking 'bout nuthin'
