

Give It Up to Me

Sean Paul

Get out my head and into the bed girl
Cause you done know, plottin' out the fantasy
Hey baby girl and it's you a the key
Yo me go so then From you look inna me eye gal me see you want me
When you gonna give it up to me?
Because your body enticin', you makin' me want it
When you gonna give it up to me? Well if a no today, girl then a must be tomorrow
When you fulfill my fantasy
Because you know I give you lovin' straight like a arrow
When you gonna give it up to me? So back it up deh, so pack it up yeah
Cause I wanna be the man that's really gonna have it up
And mack it up and rock it up deh
So what is up? Yeah, you know you got the vibe
Inna mi heart a develop and a swell up, a double up yeah So gimmie the work yeah
And rope in different for Dutty Looks and Kurup yeah
So rev it up deh gal gwaan try your luck deh
Cause when you stir it up
You know me haffi measure up yeah From you look inna me eye gal me see you want me
When you gonna give it up to me?
Because your body enticin', you makin' me want it
When you gonna give it up to me? Well if a no today, girl then a must be tomorrow
When you fulfill my fantasy
Because you know I give you lovin' straight like a arrow
When you gonna give it up to me? Hey pretty girl say me love fi see you walk
Yo no habla ingles but just listen me when me a talk
This ya one yeah from me heart, woman you got me caught
You ever inna me thoughts and no left me inna the dark Inna the first place gal that's where you belong
So just let me flip da switch woman I can turn it on
And give you the passion from dusk till dawn
Tell me if you want it fi gwaan my girl As a woman on my own I got it goin' on
And I'm likin' what I'm seein' I don't wanna be alone
Cause you got me in a daze, the illusion make me sway
We go back and forth and round and round and nothing turn away Baby boy, could it be wonderful like this?
To say it's only bout in the way you twist
Cause you got me in a daze, the illusion makes me sway
I'm caught up in you now I'm tempted to stay, oh no! From you look inna me eye gal me see you want me
When you gonna give it up to me?
Because your body enticin', you makin' me want it
When you gonna give it up to me? Well if a no today, girl then a must be tomorrow

When you fulfill my fantasy
Because you know I give you lovin' straight like a arrow
When you gonna give it up to me? So why can't you see we ought to be together?
Girl don't front on me
I just wanna be near so don't have no fear
And lemme see you bring your body right over here Because you should share it, girl I'll care it
And I'm gonna give you love so clear it
Gonna make you shine and once you are mine
We be rockin' it until the end of time From you look inna me eye gal me see you want me
When you gonna give it up to me?
Because your body enticin', you makin' me want it
When you gonna give it up to me? Well if a no today, girl then a must be tomorrow
When you fulfill my fantasy
Because you know I give you lovin' straight like a arrow
When you gonna give it up to me? From you look inna me eye gal me see you want me
When you gonna give it up to me?
Because your body enticing, you makin' me want it
When you gonna give it up to me? Well if a no today, girl then a must be tomorrow
When you fulfill my fantasy
Because you know I give you lovin' straight like a arrow
When you gonna give it up to me?
