

Not Enough

Avril Lavigne

I'm sorry if this hurts you
But I tried to keep what we had once I was wrong
It wasn't keeping me awake You didn't listen, you didn't hear me
When I said I want more, I got no more
You weren't stealing me away It's not enough, it's not enough
To give me what it is I want
It's not enough, it's not enough
To get me everything I need
And I, I wish it was
I think it's time to give this up All the memories that we're losing
All the time that I spent with you everyday
I think it's running down the drain I'm feeling that we're fading
Don't make this as hard as you think it would be
It's a lot easier than it seems, yeah It's not enough, it's not enough
To give me what it is I want
It's not enough, it's not enough
To get me everything I need
And I, I wish it was
I think it's time to give this up And I can feel it falling down slowly, slowly
I can see us starting to drown, can't stop it now
I can see it burning out, so show me, show me
How you gonna turn it around because It's not enough, it's not enough
To give me what it is I want
It's not enough, it's not enough
To get me everything I need It's not enough, it's not enough
To give me what it is I want
It's not enough, it's not enough
To get me everything I need
And I, I wish it was
I think it's time to give this up It's not enough, it's not enough
(To give me)
It's not enough, it's not enough
(What it is I want)
It's not enough, it's not enough
(To get me everything I need) It's not enough, it's not enough
(To give me)
It's not enough, it's not enough
(What it is I want)
It's not enough, it's not enough

(To get me)
