## The Fugs

If I had the time, I would run away with you
To a perfect world, we'd suspend all that is duty or required
Late last night you cried and I couldn't come to you
But on the other side you and I, inseparable, went walking, yeah oh ohWe can steal away like jugglers and thieves
But we could come and go, oh, and talk of Michael Angelo, oh ohIf we had the time, we had the timeThe day you looked at me and it was on your mind
The world is no one's dream, we will never ever find the time, oh oh
If we had the time, I would run away with you
To a perfect world, to a perfect world
