Big Green Tractor

Advisory - the following lyrics contain explicit language:

She had a shiny little beamer with the rag top down,
Sittin' in the drive but she wouldn't get out,
The dogs were all barking and wagging around,
And I just laughed and said y'all get in,
She had on a new dress and she curled her hair,
She was looking too good not to go somewhere,
Said what you want to do baby I don't care,
We can go to the show we can stay out hereAnd I can take you for a ride on my big green tractor,
We can go slow or make it go faster,
Down through the woods and out to the pasture,
Long as I'm with you it really don't matter,
Climb up in my lap and drive if you want to,
Girl you know you got me to hold on to,
We can go to town but baby if you'd rather,
I'll take you for a ride on my big green tractorSaid we can fire it up and I can show you around,
Sit upon the hill and watch the sun go down,
When the fireflies are dancing and the moon comes out,
We can turn on the lights and head back to the houseOr we can take you for a ride on my big green tractor,
We can go slow or make it go faster,
Down through the woods and out to the pasture,
Long as I'm with you it really don't matter,
Climb up in my lap and drive if you want to,
Girl you know you got me to hold on to,
We can go to town but baby if you'd rather,
I'll take you for a ride on my big green tractorJust let me dust off the seat,
Put your pretty little arms around me, hell yeahYou can climb up in my lap and drive if you want to,
Girl you know you got me to hold on to,
We can go to town but baby if you'd rather,
I'll take you for a ride on my big green tractorOh yeah yeah,
We can go to town,
Or we can go another round,
On my big green tractor.
