

Sexy

Tank

I been thinkin' bout'cha
Thinkin' bout you feel like foreplay
I'ma do whatever you say; Sexy
And without you, gone like 4 days
Don't know how much that I'm gon' take
If it's mine then baby don't play; Sexy, yeah
All I do is trip about the way you look
When you ain't got no makeup
Oooooon
Sexy
All I do is wish that it was me and you
And you ain't have to ever go
Hooooome
Sexy
Cuz I'ma need it in my life
Now babe I got a thirst to da real
Somethin' bout it feels so right
And I'm in love with how it make me feel
Can you tell me what it is you do
That be drivin' me so crazy
And can you tell me when you coming through
Cuz I need you, baby
It's the way you walk
It's the way you talk, yeah
The stylish clothes you wear
Sexy, so sexy
Sexy, so sexy
Sexy, so sexy
Sexy, so sexy
Baby got the drug like a dealer
And Ima shoot it up like a killa
Original so it probably cost more
Cuz there ain't nothin' realer
If we could bag it up we'd make millions
Have to hide some of the cash up in the ceiling
Type of shit you got be havin' niggas in they feelings
Type of shit you got have every real nigga willing
All I do is trip about the way you look
When you ain't got no makeup
Oooooon

Sexy

All I do is wish that it was me and you

And you ain't have to ever go

Hooooome

Sexy

Cuz I'ma need it in my life

Now babe I got a thirst to da real

Somethin' bout it feels so right

And I'm in love with how it make me feel

Can you tell me what it is you do

That be drivin' me so crazy

And can you tell me when you coming through

Cuz I need you, baby

It's the way you walk

It's the way you talk, yeah

The stylish clothes you wear

Sexy, so sexy

Sexy, so sexy

Sexy, so sexy

Sexy, so sexyCuz you are...sexy yeah
