

Cowgirl In The Sand

Crosby, Stills, Nash & Young

Neil Young Hello cowgirl in the sand
Is this place at your command
Can I stay here for a while
Can I see your sweet sweet smile Old enough now to change your name
When so many love you is it the same
It's the woman in you
That makes you want to play this game Hello ruby in the dust
Has your band begun to rust
After all the sin we've had
I was hopin' that we turn back Hello woman of my dreams
This is not the way it seems
Purple words on a grey background
To be a woman and to be turned down
