

# After The Rain

## Little Dragon

After the rain And after the rain the temperature dropped  
And covered in ice was my window top  
I say goodbye, I wave my hand  
As a thousand doves fly  
Across the blackened night After the rain we forget  
We make sure we gain, then we leave it  
'Cause we're a nation of forgetters  
Oh, after the rain we pretend  
It's easier to begin without looking back 'Cause all at once air so thin  
And there's nothing left to breathe in After the rain we forget  
After the rain we forget Behind the dream so rosy and red  
A pile of things to forget  
A voice of the past tiptoes in  
A cracking, a ghost whispering After the rain we forget  
We make sure we gain, then we leave it  
'Cause we're a nation of forgetters After the rain we forget  
After the rain we forget People, where have you been?  
Have you been hiding in your big houses?  
And people, after the rain, will your life  
Will it ever be the same? Oh, people, what will you do  
When your luck, when it turns on you?  
People, after the rain, will your life  
Will it ever be the same? After the rain we forget
