Light Me Up

[Birdy](#)

I'm finding my heart
Using my hands
You're my feet on the ground
My footprintsFrom where I began
I still carry your love
I feel the loveOur time is torn
and we don't need it no more
Wherever we are
I'm yours alwaysIt flows in my blood
I still carry your love
I feel the loveWe start running, running
We escape this town
We don't know where we're going 'til we turn up
Now keep on running, running
I can't slow down
And if I'm lost my shadows fallYou light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
When they gon' be foundKeep my eyes shut
Safe in distrust
You're all that I need
My SensesShining on me
I still carry your love
I feel the loveWe start running, running
We escape this town
We don't know where we're going 'til we turn up
Now keep on running, running
I can't slow down
And if I'm lost my shadows fallYou light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
When they gon' be foundYou light me up
When all I see is darkness

You light me up
When I'm down
And if I fall apart
You know where to find my pieces
When they gon' be found
Ohhh WoaahhI'm finding my heart
Using my hands
You're my feet on the ground
My footprintsFrom where I began
I still carried your love
I feel the loveYou light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
When they gon' be foundYou light me up
When all I see is darkness
You light me up
When I'm down
And if I fall apart
You know where to find my pieces
When they gon' be foundI'm finding my heart
Using my hands
You're my feet on the ground
My footprintsIt flows in my blood
I still carry your love
I feel the love
