

The Sun Ain't Gonna Shine (Anymore)

Keane

Loneliness is a cloak you wear
A deep shade of blue is always thereThe sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
The tears are always clouding your eyes
When you're without love (Baby)Emptiness is a place you're in
and nothing to lose but no more to winThe sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
The tears are always clouding your eyes
When you're without loveLonely without you baby
Girl I need you, I can't go onThe sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
The tears are always clouding your eyes
When you're without love (Baby)The sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
The tears are always clouding your eyes
When you're without love (Baby)The sun ain't gonna shine anymore
The moon ain't gonna rise in the sky
The tears are always clouding your eyes
When you're without love (Baby)
