Telepath

Boards of Canada

Testing
One, two, three, four, five
Six, seven, eight, nine, ten, oops
Up and down, I think(On repeat, give me a count)
The stuff that they know
The one on the right and then turn it up while I'm counting
One, four, five, six, seven, eight
It's too loudWell, this is quite pleasant
Let's play it back and see what it sounds like
(Could I get the one voice?)
(Nervous? Don't be nervous)
One, two, three, four, five, six, seven
