

Welcome Back

CherryCase

Iâ€™m, Iâ€™m your worst nightmare, Iâ€™m in your dreams but you still want me there
And youâ€™ve, youâ€™ve tried to run away, but memories arenâ€™t going anywhere
Well, miss donâ€™t you cry on account of me
For his rod and his staff they comfort me now that Iâ€™m home
And he says

Welcome back son, welcome back
Welcome back son, glad your home to stay

And I know this is more like a dream, it seems the luxuries of love have been washed clean
And the stares from their eyes are like a thousand knives, begging to help as you lean down

Well, miss donâ€™t you cry on account of me
For his rod and his staff they comfort me now that Iâ€™m home
And he says

Welcome back son, welcome back
Welcome back son, glad your home to stay
Welcome back son, great to see you
We have a lot to catch up on Iâ€™d say
