The Human Atom Bomb

Randy

I played some Little Richard songs on my stereo
'Tutti Frutti and Ooh, My Soul'
He sang so wild and he sang so frantic
He's the father of rock 'n' rollHuman atom bomb, atom bomb
The human atom bomb
Human atom bomb, atom bomb
The human atom bomb, yeahPlayed some Little Richard songs on my stereo
'Bama lama baby Bama loo
I need love, I need love
Sweet little baby do you need love too?Human atom bomb, atom bomb
The human atom bomb
Human atom bomb, atom bomb
The human atom bomb, 2 3 4Bomb, atom bomb
Bomb, atom bombHe was born in Macon Georgia back in 1932
Bomb, atom bomb
To get his teenage kicks he knew just what to do
Bomb, atom bombHe learned to play the piano wrote the worlds first rock 'n' roll songs
Bomb, atom bomb
He had his roots in gospel music and nothing could go wrong
Atom bomb, atom bomb
Could go wrong, no nothing could go wrong
Sweeter baby, ooh my soulHuman atom bomb, atom bomb, atom bomb, atom bomb
The human atom bomb
Human atom bomb, atom bomb, atom bomb, atom bomb
The human atom bomb, yeah
Oh yeah, yeah, yeah
