

# All Alone Am I

[Timi Yuro](#)

all alone am i ever since youre goodbye  
all alone with just a beat of my heart  
people all around but i dont hear a sound  
just the lonely beating off my heartno use in holding other hands  
for i be holding only emptiness  
no use in kissing other lips  
for i been thinking of youre couressall alone am i ever since youre goodbye  
all alone with just a beat of my heart  
people all around but i dont hear a sound  
just te lonely beating of my heart.(talking) no other voice can say the words  
my heart must tear they've said again  
the words you used to explain  
no other love can ever bring again  
all alone am i ever since youre goodbye  
all alone with just a beat of my heart  
people all around but i dont hear a sound  
just the lonely beating of my heart
