Blame It on Me

George Ezra

The garden was blessed by the Gods of me & you We headed West to find ourselves some truth, oh What you're waiting for? What you're waiting for?We counted all our reasons, excuses that we made We found ourselves some treasure, and threw it all away What you're waiting for? What you're waiting for? What you're waiting for? What you're waiting for? When I dance alone, and the Suns's bleeding down, Blame it on me When I lose control and the veil's overused, Blame it on me What you're waiting for? What you're waiting for?Caught in the tide of blossom, caught in the carnival Your confidence forgotten, and I see the gypsies run What you're waiting for? What you're waiting for? What you're waiting for? What you're waiting for? When I dance alone, and the Suns's bleeding down, Blame it on me When I lose control and the veil's overused, Blame it on me What you're waiting for? What you're waiting for? What you're waiting for? What you're waiting for? When I dance alone, and the Suns's bleeding down, Blame it on me When I lose control and the veil's overused, Blame it on me When I dance alone, I know I'll go Blame it on me oh When I'll lose control, I know I'll go Blame it on me ohWhat you're waiting for? What you're waiting for? What you're waiting for? What you're waiting for?
