# Heaven in Hell

## Backyard Babies

I know I talk too much
Baby, won you give it a try
You said to me what good will it be
`Cause I don really careAnd please, baby, don you see
All the time in the world is for me
If I pack my bags, if I walk out that door
Would you still try to hold onI know youl find a better place
I know youl find another home
I know youl find some heaven in hellYou made me feel so good
One in a million, baby, tell me it true
Give me some time, won you give me a chance
`Cause I can show you what I believeAnd nobody will ever know
Sometimes I feel that I getting old
You see, money don mean so much to you
But it sure means something to meI know youl find a better place
I know youl find another home
I know youl find some heaven in hellWe could be angels
We could just fly away
Baby, just hold me tight
I will make it through the end of the nightBaby, I would make it
Baby, I would make it
We could just fly away
Wel fly away
I know, I know, I know, I know, I knowI know youl find a better place
I know youl find another home
I know youl find some heaven in hell(...fade)
