

# Leave Me

## Scorpions

I'm lost Woman leave my life  
Woman be so kind  
Woman, well you know  
Well you know  
Yeah, well you know Sarah will return  
Sarah, she's my girl  
Woman, well you know  
Well you know  
Yeah, well you know Sarah will return  
Sarah, she's my girl  
Woman well you know  
Well you know  
Yeah, well you know
