

# Story Of My Life

## Bon Jovi

Yesterday's a memory  
Another page of history  
Sell yourself for hopes and dreams  
That leave you feeling sideways Tripping over my own feet  
Trying to walk to my own beat  
Another car out on the street  
Trying to find the highway  
Hey, are you going my way? This is the story of my life  
And I write it everyday  
I know it isn't black and white  
And it's anything but gray I know that no, I'm not alright  
But I'll be okay 'cause  
Anything can, everything can happen  
That's the story of my life I'm gonna write the melody  
That's gonna make history  
Yeah, and when I paint my masterpiece  
I swear I'll show you first There just ain't a way to see  
Who, when, why or what will be  
~\*~\*~\* Til now is then it's a mystery  
A blessing and a curse  
Or something worse, yeah This is the story of my life  
And I write it everyday  
I know it isn't black and white  
And it's anything but gray I know that no, I'm not alright  
But I'll be okay 'cause  
Anything can, everything can  
I've been thinking  
Baby, you can help me write the story of my life  
Hey, what do you say? This is the story of my life  
And I write it everyday  
And I hope you're by my side  
When I'm writing the last page This is the story of my life  
And I write it everyday  
I know it isn't black and white  
And it's anything but gray I know that no, I'm not alright  
But I'll be okay 'cause  
Anything can, everything can  
I've been thinking, baby we can This is the story of my life

The story of my life.
