## **King of Sorrow**

## **Sade**

I'm cryin' everyone's tears And there inside our private war I died the night before And all of these remnants of joy and disaster What am I supposed to do?I want to cook you a soup that warms your soul But nothin' would change, nothin' would change at all It's just a day that brings it all about Just another day and nothin's any goodThe D.J's playin' the same song I have so much to do, I have to carry on I wonder if this grief will ever let me go I feel like I am the King of Sorrow The King of SorrowI suppose I could just walk away Will I disappoint my future if I stay? It's just a day that brings it all about Just another day and nothin's any goodThe D.J's playin' the same song I have so much to do, I have to carry on I wonder will this grief ever be gone Will it ever go? I'm the King of Sorrow The King of SorrowI'm cryin' everyone's tears I have already paid for all my future sins There's nothing anyone can say to take this away It's just another day and nothin's any goodI'm the King of Sorrow King of Sorrow King of Sorrow King of Sorrow
