

# Never Say Never

## Family Force 5

Am I too far gone  
Or is there hope for me to carry on  
After all the times I let You down  
Sometimes I wonder why You're still around  
Could I ever get a second chance, second chance  
Could You ever take me as I am, as I am  
Never say never  
The impossible is possible  
'Cause Your love is unstoppable  
You're holding onto me forever  
Forever and ever  
Have you ever left me high and dry  
For a moment ever left my side  
Could You ever make a broken man  
Whole again  
Never say never  
Never say never  
In life, in death  
Your love, unchanging  
You're never gonna change, never gonna change, change  
Never gonna change, never gonna change  
Never say never  
In life, in death  
Your love, unchanging  
You're never gonna change, never gonna change, change  
Never gonna change, never gonna change  
You're holding onto me forever
