

# Trapeze

## Nirvana

There they go, see them getting smaller  
As they climbing ladder from the sky  
There we are, sitting with each other  
Do you think they are afraid a being (?)  
Swinging two and frown, somersaulting (?)  
Left defying (? fits some skill?), while the circles (? froze?) and stillWhat is in life gone to flying trapeze  
Walking in the sky, just like angels in the high  
What is in life gone to flying trapeze  
Looking at the crowd, (? it claps?) and shouting loud  
One more day, now the job is over  
It's time to start the wheels a (?)  
Here we are, staying with each other  
Do you think they are afraid of going on?  
Swinging (? two and frown?), somersaulting (?)  
Left defying (? fits some skill?), while the circles (? froze?) and stillWhat is in life gone to flying trapeze  
Walking in the sky, just like angels in the high  
What is in life gone to flying trapeze  
Looking at the crowd, (? it claps?) and shouting loud  
What is in life gone to flying trapeze  
Walking in the sky, just like angels in the high  
What is in life gone to flying trapeze  
Looking at the crowd, (? it claps?) and shouting loud
