The Hardest Button To Button

The White Stripes

We started living in an old house
My ma gave birth and we were checking it out
It was a baby boy, so we bought him a toy
It was a ray gun and it was 1981
We named him Baby, he had a toothache
He started crying, it sounded like an earthquake
It didn't last long because I stopped it
I grabbed a rag doll and stuck some little pins in it
Now we?re a family and we?re alright now
We got money and a little place to fight now
We don't know you and we don't owe you
But if you see us around I got something else to show you
Now, it?s easy when you don't know better
You think it?s sleazy? Then put it in a short letter
We keep warm but there?s just something wrong
When you just feel that you?re the hardest little button to button
I had opinions that didn't matter
I had a brain that felt like pancake batter
I got a backyard with nothing in it
Except a stick, a dog and a box with something in it
The hardest button to button
The hardest button to button
The hardest button to button
The hardest button to button, uh oh
The hardest button to button
The hardest button to button, uh oh
The hardest button to button
The hardest button to button
The hardest button to button
The hardest button to button
The hardest button to button, oh no
