Convalescence

YTCracker

It's been a long night, waiting to sleep the day away
and it's been a long time coming along with me every step of the waythe confinement binds you
and nothing scares me, nothing thrills me
I've fooled myself into believing
that nothing ails me, nothing kills me
the confinement binds you
and nothing scares me, nothing thrills me I've
fooled myself into believing
that nothing ails me, nothing can kill methe stagnant time
is a breeding ground for regrets and wrongdoings
and resolutions take their time that's if they even come at all
always seeking redemption
through the echoes I've listened and still came up missing
always seeking redemption
through the echoes I've listened and still seeped through the cracksthe stagnant time
is a breeding ground for regrets and wrongdoings
and resolutions take their time that's if they even come at allthe confinement binds you
and nothing scares me, nothing thrills me
I've fooled myself into believing
that nothing ails me, nothing kills me
the confinement binds you
and nothing scares me, nothing thrills me I've
fooled myself into believing
that nothing ails, me nothing can kill meThese wounds will heal nothing can stop me now
These wounds will heal nothing can stop me now
These wounds will heal
These wounds will heal
These wounds will heal
