

# Peace

## Kids in Glass Houses

I get this sinking feeling  
'Cos I know that I'm the one to blame  
And we're so busy healing  
That we don't even notice our new pain  
So one more time with feeling  
'Cos the things you said weren't much to speak of  
but the way you said them was We're singing peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
Peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
You say I drink away my feelings  
As I watch all yours go up in flames  
'cos we're so scared of sleeping  
'cos we know were strangers when we wake  
just one more night of dreaming We're singing peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
Peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
We're singing peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
Peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
Peace in the valley and sex in my soul  
Death to my body but we made it rock and roll  
Peace in the valley and sex in my soul  
Death to my body but we made it rock and roll (but we made it rock and roll)
