Far Enough Away

I Am Arrows

Running on a wall
Trying to keep my feet the way was told
Getting it wrong again
Doing exactly what we're toldWatch your battles on a wall
They're inviting me
To watch them when they fall
Getting wrong againOoh
Am I far enough away?
Am I far enough away
For you today?Running from the wall
Trying to do the right thing
But it all is getting wrong again
Doing exactly what we're toldNot waiting on a word
Tie us together while you can
Getting it wrong againOoh
Am I far enough away?
Am I far enough away
For you today?
Am I far enough away?Like battles on a wall
They're inviting me
To watch them when they fall
Getting wrong againOoh
Am I far enough away?
Am I far enough away?
Am I far enough away?
Am I far enough away
For you today?
