

# Sound Of Freedom

## BOB Sinclair FT. Gary Pine & Dollarman

Now hear this

It comes a time in everyone's life

That you need a little relaxation, you know, run it

Listen it's true now

Listen this, and so it's said

Another Bob Sinclair track

With a man called Cutee B and Dollarman

(Yes man!)

Oh I, oh I, oh I

You got to believe

Everybody's free

(Got to be free now)

Feel good

(Sing it)

Got to feel good about yourself

Everybody's free

(Rastaman whoa yeah)

(Got to be, got to be, got to be free)

Fell good

(Squeeze)

This is the sound of freedom

Time to get down the dancefloor

Come on let ya self go

Sweat till you can't sweat no more

Oh girl if you reach I'll give you more

When I go down them to the floor

DJ! Gimme some more

Tonight me confident I'm not leaving

Till the party is done

Everybody's free

(Everybody's got to be free yeah)

Feel good

(Did you hear that?)

This is the sound of freedom

Everybody's free

(Everybody's got to be free yeah)

Feel good

(Like a bird)

This is the sound of freedom

Jump up gal, move your body to the left  
Jump up, move your body to the right  
    Nobody can stop you tonight  
    No gal look sweet like you tonight  
    Every man have their eyes on you  
Gal your coming home with me tonight, right?  
    You better believe that  
    Dollarman will do you right
