

They Don't Know About Us

One Direction

People say we shouldn't be together
We're too young to know about forever
But I say they don't know what they talk, talk, talkin' about (Talk, talk, talkin' about)'Cause this love is only
getting stronger
So I don't wanna wait any longer
I just wanna tell the world that you're mine girl
Oh They don't know about the things we do
They don't know about the "I love yous"
But I bet you if they only knew
They would just be jealous of us,
They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right Baby they don't know about
They don't know about us (They don't know about us) Just one touch and I was a believer
Every kiss it gets a little sweeter
It's getting better
Keeps getting better all the time girl They don't know about the things we do
They don't know about the "I love yous"
But I bet you if they only knew
They would just be jealous of us,
They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right Baby, they don't know about (They don't know about us) They don't know
how special you are
They don't know what you've done to my heart
They can say anything they want 'cause they don't know about us They don't know what we do best, that's
between me and you, our little secret But I wanna tell 'em
I wanna tell the world that you're mine girl They don't know about the things we do
They don't know about the "I love yous"
But I bet you if they only knew
They would just be jealous of us,
They don't know about the up all nights
They don't know I've waited all my life
Just to find a love that feels this right Baby they don't know about They don't know about the things we do
They don't know about the "I love yous"
But I bet you if they only knew
They would just be jealous of us,
They don't know about the up all nights
They don't know I've waited all my life

Just to find a love that feels this rightBaby they don't know about
They don't know about usThey don't know about us
