

A Man Apart

[Ben Ottewell](#)

So from the pages of my heart
Let my worship begins but never end
So from the pages of my heart
Let my worship begins but never end
To the God of all flesh
For he's my God
And his name is Yahweh
His name is Yahweh-
Yahweh
For he's my God
And his name is Yahweh
His name is Yahweh-
Yahweh
For he's my God
And his name is Yahweh
His name is Yahweh-
Yahweh
For he's my God
And his name is Yahweh
His name is Yahweh-
Yahweh
