Ben's Brother

Shouting down an answerphone
A thousand miles from you
Why's the world a combat zone
That I'm a stranger to?
And I don't know where to go
I don't know what to do
Tell me how I find my way back homeAbsence makes the heart grow cold,
No matter what they say
Especially when the one you want is half the world away
And I don't know where to go
I don't know what to do
I don't know where to go
I don't know what to do
I don't know where to go
And I don't know what to do
Someone tell me how I get back home
To you...
