## Ben's Brother

Shouting down an answerphone  
A thousand miles from you  
Why's the world a combat zone  
That I'm a stranger to?  
And I don't know where to go  
I don't know what to do  
Tell me how I find my way back home  
Absence makes the heart grow cold,  
No matter what they say  
Especially when the one you want is half the world away  
And I don't know where to go  
I don't know what to do  
I don't know where to go  
I don't know what to do  
I don't know where to go  
And I don't know what to do  
Someone tell me how I get back home  
To you...
