

# Darkest

## Birkenmeier

Please take me back to the start  
Young with hopes and dreams  
That supersede the impossible  
Suspending fear and doubt  
For a chance to feelAlive

We live and die by our convictions  
Our dreams achieved through sacrifice  
I KNOW I CAN'T GO BACK  
I'M TOO FAR AWAY TO FEEL  
TRAPPED IN AN HOURGLASS

NOW THERE IS NOTHING LEFT TO FEEL  
Please bring me back to the heart  
This distance numbing me  
I am becoming a shell  
Of who I was meant to be  
I KNOW I CAN'T GO BACK  
I'M TOO FAR AWAY TO FEEL  
TRAPPED IN AN HOURGLASS  
NOW THERE IS NOTHING LEFT TO FEEL  
Alive  
We live and die by our convictions  
Our dreams achieved through sacrifice
