

# Crystal blue Persuasion

## Oldies

Look over yonder  
What do you see?  
The sun is a'rising  
Most definitely A new day is coming, ooh, ooh  
People are changing  
Ain't it beautiful, ooh, ooh  
Crystal blue persuasion Better get ready  
To see the light  
Love, love is the answer, ooh ooh  
And that's all right So don't you give up now, ooh ooh  
So easy to find  
Just look to your soul  
And open your mind Crystal blue persuasion, mmm, mmm  
It's a new vibration  
Crystal blue persuasion  
Crystal blue persuasion Maybe tomorrow  
When he looks down  
On every green field, ooh ooh  
And every town All of his children  
And every nation  
They'll be peace and good brotherhood  
Crystal blue persuasion, yeah Crystal blue persuasion, aha  
Crystal blue persuasion, aha  
Crystal blue persuasion, aha
