

Hello Hurricane

Switchfoot

I've been watching the skies
They've been turning blood red
Not a doubt in my mind anymore
There's a storm up aheadHello hurricane, you're not enough
Hello hurricane, you can't silence my love
I've got doors and windows boarded up
All your dead end fury is not enough
You can't silence my love, my loveEvery thing I have I count as loss
Everything I have is stripped away
Before I started building I counted up these costs
There's nothing left for you to take awayHello hurricane, you're not enough
Hello hurricane, you can't silence my love
I've got doors and windows boarded up
All your dead end fury is not enough
You can't silence my love, yeah my loveI'm a fighter fighting for control
I'm a fighter fighting for my soul
Everything inside of me surrenders
You can't silence my love
You can't silence my love, yeahHello hurricane, you're not enough
Hello hurricane, you can't silence my love
I've got doors and windows boarded up
All your dead end fury is not enough
You can't silence my loveYeah, I said hello hurricane
