

# I Couldn't Be You

## UK Subs

First of all they come along and say "there, put your

    baby in school"

But I was taught to win this game you must obey each  
    golden rule

I said that I'm too young to die and can I wear my cowboy  
    hat?

They said "wait a minute son, now that's the end of that" And I couldn't be you if you wanted me to  
And you couldn't be me if I begged you to be They said that you're a big boy now, it's time to set you  
    free in the world

Don't forget that steady job, and don't forget that  
    steady girl

They said you start at nine o'clock and then we let you  
    out at five

And if you act very smart you get a pension when you're  
    65 I said I couldn't be you if you wanted me to

And you couldn't be me if I begged you to be Said I couldn't be you if you wanted me to  
    And you couldn't be me if I begged you to be
