

# I Can't Wait (GTA 5 Soundtrack)

Stevie Nicks

I can't wait, I love you I can't wait, I can't wait Sometime she talks to him  
Sometimes when she's only dreaming  
Then when she wakes up  
Somehow she still believes him Yes, I know you  
Tho we've been out of touch  
Yes, I know you  
To be continued, it's too much baby I can't wait, I can't wait  
Well, if I'm wasting my time while you make up your mind  
Well, I can't wait, I can't wait  
And I've got to know when I can see you again, well  
I can't wait, I can't wait  
Yes, I know you  
Tho we've been out of touch  
I can't wait, I can't wait (I can't wait)  
What can I do when I'm crazy for you She wonders how many more hours  
Her heart will feel broken  
In secret she says she needs to see him  
But no words are spoken Well, she dances around in a circle  
Well, she's got that feeling now  
Blame it on something at first sight  
Put the blame on me, if you want to  
To be continued I can't wait, I can't wait  
If I'm wasting my time while you make up your mind, baby  
I can't wait I can't wait  
And I got to know when I can see you again, now  
I can't wait I can't wait (I can't wait)  
What can I do when I'm crazy for you, baby  
I can't wait, I can't wait (I can't wait)  
You know, I'm waiting you, darling, I'm waiting you, darling I can't wait, I can't wait  
If I'm wasting my time while you make up your mind, baby  
I can't wait, I can't wait  
And I've got to know when I can see you again, well  
I can't wait, I can't wait, now  
No, no, time will, make up your mind, baby  
I can't wait, I can't wait (I can't wait)
