Better Off Dead

Sodom

Born to die in a game where there is no return
Try to find a pleasant means of death
All your life paying for the lesson you have learned
Tortured by the world till you draw your final breathTerror, hate
Murder, rapeThrough your life trying hard to find out what it means
Those who know all have lost their mind
Through their eyes we can see that nothing's to obscene
Empty shells, nothing there, just bodies left behindTerror, hate
Murder, rapeIn this nightmare life time
You're better off dead
Pain and warfare, sex-crime
You're better off deadBroken dreams devastated by your will to live
Ruined by malignance and decay
We're betrayed until there is nothing more to give
Praying for a final peace to be there in our gravesTerror, hate
Murder, rapeIn this nightmare life time
You're better off dead
Pain and warfare, sex-crime
You're better off deadTerror, hate
Murder, rapeIn this nightmare life time
You're better off dead
Pain and warfare, sex-crime
You're better off deadIn this nightmare life time
You're better off dead
Pain and warfare, sex-crime
You're better off deadBetter off dead
