

# Happy

## Alexia

You know what I'm saying?Happy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happyHappy  
It's so nice to be happy  
It's so nice to be happy  
It's so nice to be happyI wanna take you to my world to be happy  
'Cause I can't live without your love  
Yes, you knowI've never needed anyone to be happy  
But that's the way that things go wrong  
Yes, you knowI was afraid to open my eyes  
Don't even know how many tears that I've cried  
Now that I've found the love of my life  
I don't get down, down, down, down, downHappy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happyI've never been in love before and I'm happy  
'Cause you're the one I'm looking for  
Yes you knowYou bring the sunshine into my life  
Your lips are burning and the feeling is right  
I can't believe it's true that you're mine  
Don't let me down, down, down, down, downHappy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happy  
(Hey, DJ)I just pray  
You'll never run away  
Can't wait another day  
To hold you tight  
To hold you tightHappy  
It's so nice to be happy  
Everybody should be happy  
It's so nice to be happyHappy  
It's so nice to be happy  
It's so nice to be happy  
It's so nice to be happy  
Everybody should be happy
