Last Christmas

Kids United

Last Christmas, I gave you my heart
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone specialOnce bitten and twice shy
I keep my distance, but you still catch my eye
Tell me baby, do you recognize me?
Well, it's been a year, it doesn't surprise me
(Christmas)
I wrapped it up and sent itWith a note saying "I love you", I meant it
Now I know what a fool I've been
But if you kissed me now, I know you'd fool me againLast Christmas, I gave you my heart (I gave you my heart)
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone specialLast Christmas, I gave you my heart (I gave you my heart)
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special (Special)A crowded room, friends with tired eyes
I'm hiding from you and your soul of ice
My god, I thought you were someone to rely on
Me? I guess I was a shoulder to cry onA face on a lover with a fire in his heart (fire in his heart)
A man under cover, but you tore me apart
Ooh ooh, now I've found a real love
You'll never fool me againLast Christmas, I gave you my heart (I gave you my heart)
But the very next day, you gave it away (Gave it away)
This year, to save me from tears
I'll give it to someone specialLast Christmas, I gave you my heart
But the very next day, you gave it away (You gave it away)
This year, to save me from tears
I'll give it to someone specialLast Christmas, I gave you my heart (I gave you my heart)
But the very next day, you gave it away
This year, to save me from tears
I'll give it to someone special
Last Christmas
