

# Send Me a Sign

[Andru Donalds](#)

(Music & Lyrics: Doanlds, Gad) Looking for something, it must be love

I don't expect nothing, in a world so tough

It was just like an adventure, between you and me

I feel like a stranger in my fantasy

Can nobody see me? I got an open heart

Won't somebody free me and tear my pain apart

I send my love out to this world

I dont wanna suffer so....

Send me a sign - nobody's perfect in this world

Send me a sign - I know your out there

Waving my name, send me a sign

When I'm telling to myself

I'm dreaming of you day and night

So send me a sign

Love is an emotion you wont forget
