

# Balloons

## Foals

There's a thing called  
There's this thing called  
We fly balloons on this fuel called  
We fly balloons on this fuel called love  
What's a chkacha?What's a fuel called?  
Fairweather storms are in your head  
Fairweather storms are in your headWe fly balloons on this fuel called love  
We fly balloons on this fuel called love  
We fly balloons on this fuel called  
We fly balloons on this fuel called loveThere's a thing called  
There's a thing called  
There's a thing called  
There's a thing calledThere's a thing called  
There's a thing called  
There's a thing called  
There's a thing calledWe fly balloons on this fuel called love  
We fly balloons on this fuel called love  
We fly balloons on this fuel called  
We fly balloons on this fuel called loveWe fly balloons on this fuel called love  
We fly balloons on this fuel called love  
We fly balloons on this fuel called  
We fly balloons on this fuel called love
