

Fragments of Time

VA Daft Punk/Julian Casablancas, Daft Punk/Panda B

Driving this road down to paradise
Letting the sun light into my eyes
Our only plan is to improvise
And it's crystal clear
That I don't ever want it to end
If I had my way I would never leave
Keep building these random memories
Turning our days into melodies
But since I can't stay
I'll just keep playing back
These fragments of time

Everywhere I go
These moments will shine
Familiar faces I've never seen
Living the gold and the silver dream
Making me feel like I'm seventeen
And it's crystal clear
That I don't ever want it to end
If I had my way I would never leave
Keep holding these random memories
Turning our days into melodies
But since I can't stay
