

# Gettin' Over You

## David Guetta

All the things I know right now

If I only knew back then

There's no gettin' over

No gettin' over

There's just no getting over you Wish I could spin my world into reverse

Just to have you back again

There's no gettin' over

There's no gettin' over

There's just no getting over you, no, no Bring it back

Hey, hey, I can't forget you, baby

I think about you everyday

I tried to masquerade the pain

That's why I'm next to the roof

D-d-d dancing to the groove

But there is no, there is no getting over you

Baby, it feels so (right)

To dance to the beat of (night)

That heat between you and I

Freak freak to the morning light

We like to live like (that)

And pour them shots up in the (glass)

But there is no, there is no getting over you I'm-a party and party and party and party

And party and party and party

I'm-a party and party and party and party

And party and party and party All the things I know right now

If I only knew back then

There's no gettin' over

No gettin' over

There's just no getting over you Wish I could spin my world into reverse

Just to have you back again

There's no gettin' over

There's no gettin' over

There's just no getting over you I'm a party, and party and party and party

And party and party and party

I'm a party, and party and party and party

And party and party and party People in the place

If you've ever felt love

Then you know, yeah, you know, what I'm talking about

There is no getting over I'm a party, and party and party and party

And party and party and party  
I'm a party, and party and party and party  
And party and party and party
