

# Could Have Been Me

## The Struts

Don't wanna live as an untold story  
Rather go out in a blaze of glory  
I can't hear you, I don't fear youI'll live now 'cause the bad die last  
Dodging bullets with your broken past  
I can't hear you, I don't fear you now  
Wrapped in your regret  
What a waste of blood and sweat  
Oh oh ohI wanna taste love and pain  
Wanna feel pride and shame  
I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days  
Never look back and say  
Could have been me  
It could have been me  
YeahDon't wanna live as an unsung melody  
I'd rather listen to the silence telling me  
I can't hear you, I won't fear youDon't wanna wake up on Monday morning  
The thought of work is getting my skin crawling  
I can't fear you, I don't hear you now  
Wrapped in your regret  
What a waste of blood and sweat  
Oh oh ohI wanna taste love and pain  
Wanna feel pride and shame  
I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days  
Never look back and say  
Could have been me  
It could have been me  
YeahI wanna taste love and pain  
Wanna feel pride and shame  
I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days  
Never look back and say  
Could have been me  
It could have been meI wanna taste love and pain  
Wanna feel pride and shame

I don't wanna take my time  
Don't wanna waste one line  
I wanna live better days  
Never look back and say  
Could have been me  
It could have been me
