

# Nice Dream

## Radiohead

They love me like I was a brother  
They protect me, listen to me  
They dug me my very own garden  
Gave me sunshine, made me happy Nice dream, nice dream  
Nice dream I call up my friend, the good angel  
But she's out with her answerphone  
She says that she would love to come help but  
The sea would electrocute us all Nice dream, nice dream  
Nice dream, nice dream  
Nice dream, nice dream Nice dream  
(If you think that you're strong enough)  
Nice dream  
(If you think you belong enough)  
Nice dream  
(If you think that you're strong enough)  
Nice dream  
(If you think you belong enough)(Now come on, now come on)  
(Now come on, now come on) Nice dream, nice dream  
Nice dream, nice dream
