

Falling

Andy Duguid

I never thought I could move this mountain
I never thought I could even try
I never thought I could make this happen
But I was wrong

I never thought I could build these breaches
I never thought I could do it right
I never thought I will ever feel this
But I was wrong

â€ˆCause I am not alone
No I have found my home
Itâ€™s where the darkness feels like moonlight
Where the stars keep burning in your eyes

No I am not alone
No I have found my home
Itâ€™s where the moon wonâ€™t contain the winter
Where the sun keeps smiling in your eyes

All I want is you
Catch me when Iâ€™m falling through
â€ˆCause I belong to you

I never thought I could reach this distance
I never thought I could even try
I never thought I could stop to listen
But I was wrong

I never thought it would bring us closer
I never thought it would turn out right
I never thought I would see right through this
But I was wrong

â€ˆCause I am not alone
No I have found my home
Itâ€™s where the darkness feels like moonlight
Where the stars keep burning in your eyes

No I am not alone

No I have found my home
It's where the moon won't contain the winter
Where the sun keeps smiling in your eyes

All I need is you
Catch me when I'm falling through
All I need is you
Catch me when I'm falling through
Cause I belong to you
