

# Jackie O'

## D-A-D

Jackie O went ridin'  
To the Wounded Knee...  
Jackie O was killed  
In the battle in 73...  
- I was his last friend  
And I watched him die...  
As the angel grabbed him  
- I said: Fly Jackie fly! Jackie went from pain and misery  
To join the warriors  
Down at Wounded Knee I watched the dying Jackie  
Until the morning broke  
The distant thunder faded  
Of the blue-shirts second stroke... I knew the fight was over  
And we had lost again  
Both here and in South Dakota  
Where I had lost a friend!!.
